Reporting from BOSSCARS (BC205)

Course Description

This 4-hour course is intended to provide a detailed explanation of the standard reports delivered with the BOSSCARS software. The attendee will also see how to generate reports to various output formats including PDF files, Microsoft Word and Excel files. The course provides both lecture and hands-on lab time with the student spending approximately 50% of the class time practicing the techniques discussed in the lecture.

Audience

This course is intended for end users, technical staff, and cashiers.
