## **Using the BOSSCARS Web Interface (BC210)**

### Course Description

This 4-hour course is intended to provide an overview of the BOSSCARS Web Interface including vehicle registration, applying for a parking permit and viewing/appealing citations. The attendee will use the Web Interface in the same manner in which students would use it. In addition, the issuance by the parking staff of the actual decal/hangtag after a student has applied for a decal online will also be discussed. The course provides both lecture and hands-on lab time with the student spending approximately 50% of the class time practicing the techniques discussed in the lecture.

### Audience

This course is intended for end users, technical staff, and cashiers.
